Weekly Update

Friday 4th February 2022

Please email <u>schooloffice@shefford.cbeds.co.uk</u> if you require support in accessing this newsletter in an alternative format.

Dear Families and Friends

It is nice to be able to report to you that we are seeing a plateau of numbers regarding the localised outbreak of Covid that has been experienced in school since January. Your support with our measures and continued good communication has been very helpful so far.

Our measures in school remain robust, and we will continue these into next term with virtual assemblies and bubbles, until our regular evaluations allow us to communicate that this can reduce.

Next week we will be meeting families to discuss children's progress in our consultation sessions. We have been able to offer a hybrid of virtual and of face to face sessions. Our measures for safety are such that face to face sessions can only be for one parent at a time, and face coverings must be worn. Thank you in advance for respecting this.

In School we have been delighted to know the national data that has emerged since schools submitted phonics data for Y2 in Autumn. We knew we had done well from local information, but I'm thrilled to say that Shefford Lower School exceeded outcomes nationally too.

Our Art Gallery and Museum is shaping up. The children are exposed to great works of art in our corridors, and our timeline on the playground. We now have cabinets in place and artefacts being bought to develop this wonderful resource in house. The team working on this will be sharing items with you through our newsletter and social media too. This is a long term project we are developing over time, and the PSA are working towards a section of this project too. The aim is that Shefford Lower School has a wide range of learning experiences accessible to all, and ultimately, that we can offer those resources to benefit the wider community. As you know community is at out heart.

Each day I am outside and around our school—restrictions permitting—and I have been delighted to see the learning that is taking place. Following investment in resources, supported by our PSA, the drive to ensure maths is practical and progressive, children are using these exceptionally well in lessons. Mr Bowen shared how we teach maths in our curriculum evening, and is always happy to share this further.

Our eco club are busing organising the composting, and we have a much tidier playground with fewer wrapped items coming in. Thank you for supporting us to keep this healthy and litter free approach.

Have a wonderful week.

Regards

Mrs Finch

Values

The values of February will be Love & Kindness

"Carry out a random act of kindness with no expectation of reward knowing someday someone will do the same for you." Princess Diana.

What is love? How it is shown through our acts of kindness, and being thoughtful to one another.

House Points and Attendance W/E 28/01/22

Arriving to school on time

When pupils arrive late, they miss out on essential instructions given at the beginning of the lesson.

This can significantly reduce achievement, regardless of academic ability. Your child may also feel awkward arriving to the classroom when everyone else is settled. Furthermore, when one pupil arrives late, it disrupts the entire class and the teacher—everyone's education is compromised.

5 minutes late a day = 3 DAYS OF SCHOOL LOST A YEAR

10 minutes late a day = 6.5 DAYS OF SCHOOL LOST A YEAR

15 minutes late a day = 10 DAYS OF SCHOOL LOST A YEAR

20 minutes late a day = 13 DAYS OF SCHOOL LOST A YEAR

30 minutes late a day = 19 DAYS OF SCHOOL LOST A YEAR

Thank you for your kind donations so far. We have added some more items to our Amazon wish list that will greatly benefit your children with their learning this year. If you would like to purchase a book for our school please click here

Please let the office know if you need assistance or adjustments for any disability.

Blue badge holders can access the staff car park.

Safeguarding Information

At Shefford Lower School we take our responsibilities to promote safeguarding the welfare of all children seriously. The designated persons for safeguarding children is the Headteacher who can be contacted via the school office on 01462 629123

Please find useful information updated weekly

Safer Internet day is on the 8th February 2022. Please find some useful links for guidance on how to protect your child's devices

Year 3 Egyptian Day

Year 3 had an amazing, immersive experience with their visitor from Portals to the Past on Wednesday. They enjoyed completing a quiz, playing an Ancient Egyptian board game, and looking at some real artefacts from Egypt before spending some time learning about the role of a Pharaoh and the process of mummification. The day finished with a hunting competition using javelins to knock down animals and score <u>points</u>, even the teachers joined in! Cedar class won the game...

It was a very fun and interesting day, I enjoyed learning with Mark aka Howard Carter

I loved the hunting competition and playing the hounds and jackals game I also liked the hounds and jackals game and the hunting. I learnt that the heart was measured after it was removed from the body during the mummification process.

Year 2 Georgia, Poppy, Scarlett & Daisy

Year 3 Alexandra, Imogen

<u>Year 4</u> Isla, Jacob, Theo, Abhinaya, Kiera & Kairo

Shefford Lower School PSA

December - January 2022 Update

Welcome to our new look monthly update. Here we aim to tell you everything that has been going on with the PSA each month.

Firstly, a big THANK YOU to everyone who has supported the PSA over the last month either by buying raffle tickets, lottery tickets, ordering Christmas cards or supporting us in the many other events we took part in.

December was a busy month; January always tends to be quieter but we are looking forward to our first PSA meeting of 2022 soon.

If you are keen to find out more, please contact the office for our details and we will always be pleased to tell you more about being involved in the PSA.

Throughout November to January we raised just over £3,500!

Our biggest fundraiser was the Cauliflower Christmas Cards at £717! - a massive thank you to everyone who ordered products. We hope you were all pleased with the results along with everyone they were gifted to during the Christmas period.

We also raised £600.53 in the raffle, £536.40 at the Christmas light switch on £367.40 at Present Day, £98.40 through School Lottery and £55 from loose change donations.

Another big thank you to Lloyds who donated £980!!

If you work for a company that offers match funding, then please get in touch as it is a relatively easy way for us to add a massive boost to our funds.

We were also pleased to donate £500 for the Pantomime the students enjoyed in December and £491.04 on books for Santa to deliver to each student to put under their tree.

We are excited this year to bring you all the favourite fundraising activities we have enjoyed in the past plus some new ideas linked with the Dinosaur trail we are helping to fund. If you have any ideas of exciting events you would like to help with then please get in touch.

Thanks again for all of your support.

Look out for the next update at the beginning of March.

Governor's News

As we move into the final phases of this academic year the Governing Boards focus has been to support the school through these unprecedented times. This has been a big focus for us as governors, particularly on the recovery of the students learning journey. Shefford Lower School strives for excellence and are committed to a policy of inclusion, well-being, and education of all pupils. We believe in the potential of all children and take seriously our responsibility to enable them to achieve their very best. We will endeavour to make sure the school focus is on progress and recovery as we move into the next academic year.

We are working closely with the Local Authority and School to ensure that the two -tier transition is at the forefront of plans and ensure that this happens smoothly for every child. We will keep you updated on any further developments.

If you are interested in a position within our Governing Board, please email the school office. Further information regarding positions will communicated within the Shefford community this term.

Moving to become a primary as part of Central Bedfordshire's Schools For The Future project.
